## Seminar Series to Help Your Organization Involve Volunteers ages 30 and under.

### June 5 - Getting Ready

Are you, your processes, programs, clients, co-workers, current volunteers ready for the energy, ideas, enthusiasm and style of younger volunteers? What should you expect? What do youth expect? Learn what you're getting into and what you need to do before you throw down the welcome mat.

### June 12 - Youth Friendly Recruitment Process

Where are they? What catches their attention? Find out what marketing and recruitment methods are most effective. Discuss volunteer screening, including interviews, orientation and training.

### June 19 - Retention Strategies

An enjoyable and supportive work experience is essential to keep volunteers. Learn what types of support, supervision, and communication techniques work best with younger volunteers so they stay motivated and coming back for more.

### I Will Attend:

- June 5 - Getting Ready
- June 12 - Youth Friendly Recruitment
- June 19 - Retention Strategies

### Who Should Attend?

Program Coordinators, Volunteer Coordinators, Executive Directors, Senior Volunteers .
