funded by:

An examination of Board liabilities and potential legal protections

Many people who volunteer have concerns about possible liability for their acts if they become directors or officers. Boards of Directors must be aware of and should plan to reduce their exposure to liability. Learn what liabilities and risks Board members face while fulfilling their responsibilities and the potential legal protections available.

Agenda:

- 11:45 Registration
- 12:00 Presentation
 - w Overview of potential Board liabilities and risks
 - w Exploration of what potential legal protections
- 12:45 Question & Answer Period

Who Should Attend?

Executive Directors, Board Members, Nominating Committee Members, Policy Committee Members, Administrative Assistants, and Administrative Coordinators
