The **Peer Learning Approach** is designed specifically to:

- achieve real learning through application of new knowledge to each members' own work environment.
- help break the isolation experienced by many senior staff of small agencies.
- provide an opportunity to share and gain practical knowledge on issues identified by the group members
- create links among organizations that may lead to lasting relationships, mentoring opportunities and collaborative initiatives.

AGENDA:

- 11:45 Registration
12:00 Overview of Peer Learning Approach
Description of this year's theme and the application process
12:30 Questions & Answers

Who Should Attend?

This session is for Senior Staff of smaller organizations who are seeking a practical, efficient opportunity to develop their capacity as leaders and managers.
