

THE MANITOBA REAL ESTATE ASSOCIATION QUALITY OF LIFE AWARD

Every year in this province REALTORS® work side by side with other volunteers who donate their time, money and passion to improving the quality of life of children in Manitoba. As volunteers REALTORS® have coached kids' soccer teams, prepared meals for the homeless and raised money for women's shelters. Year after year we are honoured to volunteer alongside people from all walks of life who care deeply about the future of our communities and in particular work hard to improve the quality of life of children in our neighbourhoods. Whether it's preparing breakfast programs for kids in schools, creating safe houses for children who need shelter for a night or mentoring teenagers to a successful high school graduation, we know we owe them a lot.

The MREA Quality of Life Award, created by REALTORS® in Manitoba, recognizes volunteers who are deeply committed to improving the lives of Manitoba children - our futures. This award is granted to an individual or group of individuals at the Volunteer Manitoba Annual Awards Dinner April 17th, 2012 at the Winnipeg Convention Centre. The recognition includes a \$2,500 cash award to be given to the award recipient's charity of choice.
